CARTE POSTALE. POSTKARTE.

(For Address Only.)

By Appointment.

Inveraray Castle, a residence of the Duke of Argyll, stands on the level ground at the mouth of the Aray, the buildings forming a square with turrets at the corners and a raised pavilion in the centre. It was partially destroyed by fire in 1877, when during the reconstruction the original plans were somewhat varied. The interior contains some very fine specimens of tapestry and a collection of family portraits.

Printed in England.
